Fatally Burned

Miss Sabra Martin an aged resident of Teverbaugh was terribly burned on Thursday morning about 10 o'clock and died at 4 o'clock. It is supposed that her clothes caught fire by coming in contact with an open grate. For sev eral years she has made her home with Mr. and Mrs. George W. Wright near Annabelle. No one seems to know her exact age but those who have been acquainted with her for many years place it well up in the nineties, some as high as ninety seven. Funeral services were held at the residence at 2 o'clock Friday afternoon and interment was made in the Martin cemetery on the old home place. So far as known she is survived by but one sister, Mrs. Geo. Hamilton of Mannington district.

Missing Milk Bottles.

For some time there has been consid erable complaint that milk bottles left on porches by those who sell milk have disappeared. Recently, it is said, a housewife decided to place some croton oil in a bottle of milk and see if it would have any effect on stopping the pilfering of milk. It is said the ruse worked to perfection and a certain young fellow of the town will be careful hereafter whose milk he takes.
